ABOUT OUR DESIGNS

All of our designs feature the artwork of Berkeley, California artist Kathy Canfield Shepard. Kathy has been creating works of art ever since she can remember, and for the past fifteen years has specialized in painting with watercolors, a medium in which she has created hundreds of works. Our company name, *The Swimming Paintbrush*, describes the motion of the brush in the water as she creates her growing portfolio.

OUR LOCAL ECONOMY AND THE ENVIRONMENT

All of our products are printed in the USA, and use recycled paper whenever possible. We continue to explore opportunities and new ways to use different renewable resources for all of our products. All of our art prints are now being printed on archival fine art matte papers.

FREE SHIPPING

We offer FREE SHIPPING on all wholesale orders over \$300. Also ask us about our seasonal free shipping promotions.

CUSTOM WORK

Do you have an idea for a product you don't see here? **Ask us!** We frequently create additional custom products featuring our existing designs, as well as newly commissioned pieces. Products can include wedding invitations, birthday invitations, birth announcements, holiday cards, and more. We're always looking for new ways to expand our product line!

LICENSING OPPORTUNITIES

If you are interested in licensing any of our designs for use on a new product, please call us at 212-243-5295 to discuss the possibilities.

GIVING TO THE ARTS

We strongly believe that the arts are integral to a successful society. To help keep the arts alive, The Swimming Paintbrush donates 10% of all of its profits to charities which provide exposure to or training in the arts for children and teens.
